

YOUNG ATHLETES FOUNDATION

APPLICATION FOR GRANT SUPPORT

Only nonprofit 501C-3 organizations are eligible to apply. Organizations awarded grant money are eligible to apply for another grant in no less than 24 months after funds are distributed. Hence the YAF strongly recommends that organizations develop a sustainable funding model for program costs. Denied grants may be resubmitted for consideration. Funds cannot be used for costs incurred by travel, staffing, meetings/meeting time, building space or lobbying.

The YAF recognizes that some organizations may have durable equipment needs while others may have non-equipment, financial needs which address the rising participation costs or fees for youth involved in the organization's activities. As a result, the YAF will consider applications for grants for participation scholarships as well. The maximum funding for scholarship grants is \$500. Organizations may apply for both scholarship and equipment funds on the same application, not to exceed \$3,000 inclusively. (See page 3 for more info.)
