

2022 GRANDMA'S MARATHON REGISTRATION PLAN

- The capacity for each race will be:
 - Grandma's Marathon - 9,000 in-person registrants
 - Garry Bjorklund Half Marathon – 8,000 in-person registrants
 - William A. Irvin 5K – 2,700 in-person registrants (includes 1,200 registrants for the Full and Half Great Grandma's Challenge)
- A virtual option for each race will be available starting on October 1, 2021. Virtual registrants DO NOT qualify for the cancellation discount plan (detailed below).
- If COVID conditions worsen and the in-person marathon weekend races are cancelled, registrations for those who registered for the in-person races will automatically be converted to the virtual races and details for reporting finishing times will be emailed to participants.

2022 IN-PERSON RACE CANCELLATION DISCOUNT PLAN

In the case of in-person race cancellation due to worsening COVID conditions, Grandma's Marathon has formulated the following discount plan for those who register for the in-person 2022 races:

- All 2022 Grandma's Marathon, Garry Bjorklund Half Marathon, William A. Irvin 5K and Great Grandma's Challenge **in-person race registrants** will receive a discount code good for 40% off of their entry fees for the next (3) Grandma's Marathon Weekend races they register for between 2023 to 2027.
- Race years do not have to be consecutive. You can use the code for any 3 years you want between 2023 to 2027.
- The discount code will be for your use only and may not be transferred to another person.
- The discount code may only be used one-time per year toward Grandma's Marathon, the Garry Bjorklund Half Marathon, the William A. Irvin 5K or the Great Grandma's Challenge.
- Registration instructions and your discount code will be emailed to you in September 2022.

PROOF OF VACCINATION/NEGATIVE TEST

At this time, we are not requiring participants to show proof of COVID vaccination or a negative COVID test result to attend the 2022 event. If this changes, we will notify registrants as soon as possible via email.
